At the feet of Terrasses du Larzac, this parcel of white Grenache has been planted in 1975, on the exceptional terroir of Saint-Saturnin.

Preference is given to manual work in order to allow the vines to express themselves as naturally as possible. The grapes are picked and sorted by hand. They are then transported to the cellar in small crates where they are destalked and vinified in a traditional way.

Food & Wine pairing:

SATURNE is a silky and fresh wine to pair with white meat or fish with a savory sauce.

Organic wine certified by ECOCERT FR-BIO-01
