Elaborated in the tradition and the respect for nature, this rosé is an homage to those who, since centuries, have valued this exceptional terroir of Saint Saturnin.

Grenache, Syrah and Cinsault are harvested when they have attained full maturity and then they are transported into our cellar. This cuvee has explosive aromas with notes of red berries, rounded sensation and freshness stay in the mouth until the finish. This rosé is made for gastronomy, so it matches perfectly with the meal from aperitif to dessert.

Food and Wine pairing:

Serve SATURNE ROSÉ for aperitif as well as with meat or grilled fish, and mixed salad.
