

DOMAINE  
**VIRGILE JOLY**

**VIRGILE ROUGE 2006**

AOC Coteaux du Languedoc St Saturnin  
30% Carignan, 40% Grenache, 30% Syrah  
Serve at around 18°C and decanted.

Cellaring : 5 to 15 years after harvest

Ageing : 12 months in concrete tanks, 12 months in oak  
casks, 3 months in bottles

One-third each Grenache, Carignan and Syrah. One year in barrel and one-and-a-half years in tank. Lower yield: 20-25 hl/ha. Darker than the Saturne 2007. Chocolatey on the nose, unfolds to generous perfumed cherry. The fruit is so ripe that it bursts in the mouth, sweet and as generous as the bouquet. Tight tannins, and very dense. Licorice and a roasted-fruit edge and dusty church-pew spices. Some elegance, just countered by perceptible heat on the finish, holding it back from greatness. (Tamlyn Currin for JancisRobinson.com)
